

NITRILE EXAMINATION 280 MM GLOVES NON-STERILE. POWDER FREE. LATEX FREE

Nitrile Exam gloves are premium quality Nitrile Examination gloves with long cuff for increased protection.

Designed to provide the comfort of Latex with the protection of Nitrile.

They contain no Natural Latex proteins and our unique low modulus formulation offers superior comfort and fit as well as excellent tactile sensitivity.

Ideal for applications requiring mid-forearm protection (such as in hospitals), especially when latex allergies are a concern.
